Dr. Seuss Goes to War
by Richard H. Minear

Dr. Seuss Wants You . . .
to discover the concerns
that Americans needed to
address while WWII
engulfed the world.

He demonstrates a simple
truth in his political
cartoons: become aware,
informed and involved in
our surroundings so that
we can take thoughtful
and decisive action.

Dr. Seuss' art continues
to inspire citizens to think
and care about the fate
of humanity.

An unexpected and serious side of Dr. Seuss, provides us with insights into a divided America between 1941-1943
