

Reich Minister of Public Education and Propaganda, Josef Goebbels, commissioned hateful books, newspapers, and films. *The Eternal Jew*, a 1937 book, was made into a widely distributed feature film in 1940.

The self-appointed U.S. "Minister of Public Education and Propaganda":
"Jewish influence #\$\$@#&^% and constitute a great danger to our country."
Charles Lindbergh
September 11, 1941, Des Moines, Iowa

"The Jews are masters of &*\$##@ and they are our enemies."
Josef Goebbels
July 20, 1941, Berlin, Germany

Sounds like an echo over here!
