

“We are now in this war. We are all in it- all the way. Every single man, woman, and child is a partner in the most tremendous undertaking of our American history.”

Franklin D. Roosevelt
December 9, 1941

By December 11, 1941 the U.S. joined the Allies, officially entering the war.

On December 7, 1941, Japan attacked Pearl Harbor. More than 2,400 American lives were lost in the attack. Over the next four days, Japan, Germany and the other Axis powers declared war against the U.S.

It is scary, but we are a part of this war now, and we are going to give it our best!
